

2010 OXNARD AUTUMN HISTORIC HOME TOUR

The City of Oxnard is home to the Henry T. Oxnard National Historic District, an area of classically built homes that has been on the National Register of Historic Places since 1998. The District also boasts the highest percentage of contributing structures unique among Historic District's in California. The **Oxnard Autumn Historic Home Tour** will showcase a selection of unique homes on view during its fundraising event for the **Fifth Street Beautification Project**. Visitors will be treated to an insider's look at this Oxnard neighborhood, a short distance from the historic downtown business district. A tour Marketplace and complementary refreshments are included. The self-guided walking home tour is from 10:00AM to 5:00PM. Homes are docent hosted. Oxnard's Carnegie Art Museum will again be the beginning point of this year's tour – come and enjoy a fun-filled day with us as we step back into yesteryear.
